One: Creator God, you give us life, and we thank you!

Many: Risen Christ, you bless us with your grace, and we praise you!

One: Holy Spirit, you give us the power to create and to work, to love and to bless.

Many: You have given us such rich and wonderful gifts! We come to you joyfully, grateful for your generosity.

One: Earth is generous with food and air, with color and beauty.

Many: You are generous with grace and blessing, with love and grace.

One: Tell us again the story of your grace, so that we may become a part of it.

Many: Alleluia! Come Holy Spirit and transform us by your grace. Alleluia!
