We're composting!

Put food waste, food-soiled paper and approved compostable products into our new green composting containers. They are GREEN and have compostable bag liners in them.

We're working with Cedar Grove to take care of our earth. You can help!

Fairwood Community United Methodist Church is stepping up our efforts to take care of our earth!

Our green composting containers (a 23-gallon container in the parlor of Benedict Hall and a few green wastebaskets) with compostable bag liners are here. Please put your food waste, food-soiled paper and approved compostable products into these green containers. We have a second outside tote to accommodate extra compostable materials.

Please note that not everything labeled as "compostable" is accepted by Cedar Grove. Generally accepted items are here: [CedarGrove-flyer-Compostables-Accepted-20230620.pdf](#)

With your help, we can take better care of our earth!

For Riverton Park United Methodist Church in Tukwila
We'll collect during April...

Long-grain white rice (2-pound to 5-pound bags)
AND Black tea bags

Drop off your donation in the box in the narthex.

*Thanks for your support of our
sister congregation
and people they serve!*

During the month of April, we will be collecting 2 – 5 pound bags of long-grain white rice AND black tea bags to deliver to Riverton Park United Methodist Church. Each month we will add to our monetary donation with an item (or items) that they are regularly in need of, as they work to support those staying at their church. Drop off your donation in the box in the narthex.

Thanks in advance for your participation in our support of our sister congregation and the people they serve or are living at their church.

Thank you, also, Dianne and Mike, for volunteering to deliver our donation each month!

WE'VE BEEN CLEANING!

Stop by to check
out the
FREE
BOOKS, CRAFT
SUPPLIES,
TOYS & MORE!

Carol and Cathy have sorted through items we've used in Sunday School or other activities at FCUMC. Thank you to all who have donated these items over the years. They were well-loved. However, to find more gathering space for meetings, we've cleaned and organized two former classrooms.

Stop by M-2 (the room next to the sanctuary, across from the office) to see if there are items that you'd like to "rehome!" We especially encourage early childhood teachers and parents of young children to check out the items.

Our preschool, Sunday school teachers and nursery attendant have already had the opportunity to take the items... and now it's YOUR time!

Everyone is invited to join with

We’ll hear about John’s career
highlights at Boeing and have a
question-and-answer time with them.

Everyone is invited to join us in a “Fireside Chat” with John & Jewel Andrew on Thursday, April 11th at 10:00am. We will gather in the Parlor.

John has written a book about his career and if you have not received one, he will give you one at our meeting. John will talk about some of his career high-lights with Boeing and we will have a question and answer segment.

John and Jewel have been members of Fairwood Community United Methodist Church for decades and have been instrumental in growing our facilities and providing us with care and love in many ways. Refreshments, an introduction and a prayer will be provided.
