Could you provide some treats for the fellowship time after worship? We'd love to have a **variety** of items! In addition to sweeter treats, you can bring:

- Fruit
- Vegetables
- Cheese
- Crackers

There's a sign-up sheet in the parlor.

Do you have extra flowers in your garden?

Is there a special person in your life that you'd like to celebrate or memorialize (birthdays, anniversaries etc.)?

Bring flowers for our altar!  
Choose your date by signing up on the large poster on the wall between the church office and the nursery.

We'd love to have you sign up for providing flowers on our altar table up front. There's a large poster on the wall just outside the church office where you can choose your date. Please, no fragrant flowers.

Thanks for your help! Questions? Contact Roxanne or Cyndee.

## We need help with outdoor care!

- Pick up sticks on lawn**
- Pull back playground chips from fence board (using rake)**
- Weed and prune**
- Sweep/blow walks and parking lot**

**Questions? Contact Jeff or Sharon K**

We could use help with jobs outside at church during July!

- Pick up sticks on lawn (so Jeff can do mowing).
- Pull back playground chips from fence board (a rake works well with this. Chips need to be about 4 inches below fence board, so chips don't fall out over the fence board).
- Weed and prune (there is always cool shade somewhere to work in on hot days).
- Sweep or blow walks and parking lot.

Let us know how you can help by contacting Jeff and Sharon K.

## Hike, Bike, EV, Hybrid Sunday

It's also  
"Less Polluting Tools"  
Sunday!

We'll count miles saved in  
keeping our air clean.

- If you live a distance away for walking, park your car and walk part way.
- Park your hybrid and EV cars in the front so we can see them.

July 21, Next Sunday - "Hike, Bike, EV, Hybrid Sunday" AND "Less Polluting Tools Sunday"

We will be counting the miles saved in keeping our air clean.

If you live a distance away for walking, park your car and walk part way.

Biking – Last year we had more electric bikes than regular bikes.

Park your hybrid and EV cars in the front so we can see them.

We will have a display of electric tools to share with you. Does anyone have a portable solar panel to share?

If you have questions or something to share, contact Sharon K. at [kenyonjs@comcast.net](mailto:kenyonjs@comcast.net).
